Thanks Matt for the schedule. I ran this by our management and they agree with the start date of May 2nd for field work.

Also we figured the best way to document and handle the new schedule is for you to send me a cover letter with the new schedule indicating it is an addendum to the Dec 23rd workplan. I will then send an approval letter to the workplan including the addendum.

Please let me know if you have questions.

Raji – please see attached a revised schedule that shows a start date of May 2 for field work. We are currently developing a phased approach to sampling, i.e., which areas we can access by May 2 to allow for sampling per the RI/FS Work Plan.

Please contact me with any questions.

Regards,

Matt
